DC Access Sponsors Annual MOTH Picnic

Washington, DC – DC Access is among the sponsors for this year’s Moms On The Hill (MOTH) Picnic, which will be held June 14 in Garfield Park.

MOTH is an actual and virtual community organization of more than 1,500 families who live on Capitol Hill. Its members share a commitment to their children and to making the community as strong and supportive of families as possible.

Sponsorships help to cover the costs of the annual picnic, including rentals and permit fees, so that event proceeds can be donated to a charitable cause.

“We’re pleased to support this neighborhood event for the second year in a row,” says Martha Huizenga, partner at DC Access. “MOTH is a wonderful group that helps make the Hill a great place to live and work.”

ABOUT DC ACCESS LLC

Founded in 1999, DC Access is Washington DC’s first and only wireless Internet service provider (WISP). The company also offers dial-up access and web hosting. DC Access customers receive the benefits of high-speed broadband without having to order DSL or cable from a large provider. DC Access has earned a reputation for offering reliable, affordable and personal service to its customers. DC Access has been profitable from the first day of operation. The DC Access strategy has always been consistent and steady growth. DC Access is privately held and headquartered on Capitol Hill in Washington, DC. For more information on DC Access, please visit www.dcaccess.net.
